Welcome
New Homeowners

The New Launch is almost FINISHED!

This was no small feat! First and foremost a HUGE thank you to John Feld for his tenacity and commitment for getting it done. While most of us settled in for a long cold winter, John organized a complete remodel of the CLBA Boat Launch. To summarize the project: Last fall a project was undertaken to update the boat launch. 27 feet of steel frame and grating was removed and 32 feet of concrete slabs were installed. This spring, concrete rip rap will be dumped on the end of the concrete slab to prevent trailers from dropping off the slab. The launch pier will be marked with an orange line that marks the end of the slab. If you have specific questions regarding the new launch send an email to the CLBA attention, John Feld

**This is a Fantastic Improvement
for the CLBA Community.**

We are ALWAYS looking for good people to fill other positions on the board. Please consider joining the CLBA Board and help us continue to make our neighborhood a safe, clean, and happy place to live and enjoy lake life.

Treasurer Report

We are looking for someone to fill the role of Treasurer on the CLBA Association Board. You must be willing to put in the time, work with our accountant to balance the books and hopefully have a background in accounting.
