Welcome to 2022. The CLBA wishes you and your family a happy and healthy New Year.

Winter is settling in and the lake finally froze over which means... Lots of Winter Activities! Be safe and have a great time!

It is hard to think about Spring when the wind chills are 10 below zero and the winds are biting, but it's only 4 short months away and in order to make sure the beach is ready for summer fun, we need to find people to help put in the buoys in early May. Please consider volunteering. Contact the board at the number on the front of the Newsletter.

For our members who are snowmobilers, the use of the watercraft launch to access the lake on snowmobiles is strictly prohibited. Studs on snowmobile treads will tear up and destroy the concrete pads. Your cooperation is greatly appreciated.

For current Boat Slip Holders

The \$350 fee, applications and registrations were due by January 15, 2022 in order to be guaranteed a boat slip. There is a waitlist for the 2022 season and the first person on the wait list will be notified if an availability opens up.

There will be multiple open positions on the CLBA Board this next year. The current Board continues to work hard to maintain and improve the Channel Lake Bluffs Subdivision with all its amenities. So many improvements have been made over the last few years due to hard work and commitment. But it's time for new ideas and perspectives. Please consider joining the Board and sharing your talents. The CLBA can only stay productive if we have committed and hard working board members.

Please remember: There is absolutely no parking allowed on streets, particularly during the winter months, as the township is responsible for plowing the streets.
